Losing their marbles

Steve takes a step back and trips on a rock.

The box hits the ground and empties their stock.

**When most of the marbles  
are back in their place,**

**Steve goes back to see  
why he fell on his face.**

**What caused him to fall?  
Steve thinks it's a stone.**

**It isn't a rock.  
It's more like a bone.**

**Digging a little,  
he finds a long hose,**

**But suddenly shouts,  
"This is somebody's nose!"**

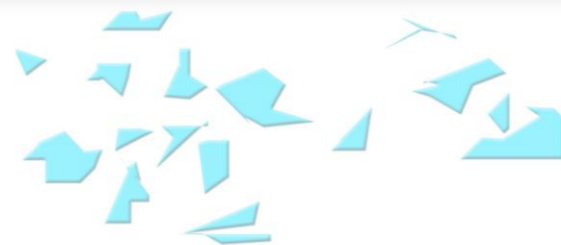

**With Col and Noel helping,  
they soon dig it out.**

**"This creature is frozen,  
without any doubt!"**

**Noel grabs his hammer and heads for the case.**

**With the EXTRA strong tea, he runs back at a pace.**

**For thousands of years  
Woolina's been dreaming,**

**But after two cups  
her whole body's steaming.**

**She dances and spins,  
then goes for a run.**

**She's Woolina Mammoth  
and she's having some fun.**

**The box is so heavy,  
it's hard to lift high.**

**For Woolina Mammoth  
it's easy as pie.**
