**For Hattie**

**Every so often,  
when the weather is nice,**

**Steve and Col Yeti  
have lunch on the ice.**

**Usually Col  
cooks a nice broth or stew,**

**But today they both want  
to try something new.**

**Col thinks for a while,  
but then, in a hurry,**

**He grabs lots of spice  
and settles on curry.**

**He makes it so hot the tupperware melts**

**So he pours it in metal and ties it with belts.**

**Steve lays out the napkins  
and makes a cute bow.**

**Col puts the hot curry  
straight down on the snow.**

**With a hiss and a pop  
that really scares Noel**

**All that is left  
is a really deep hole.**

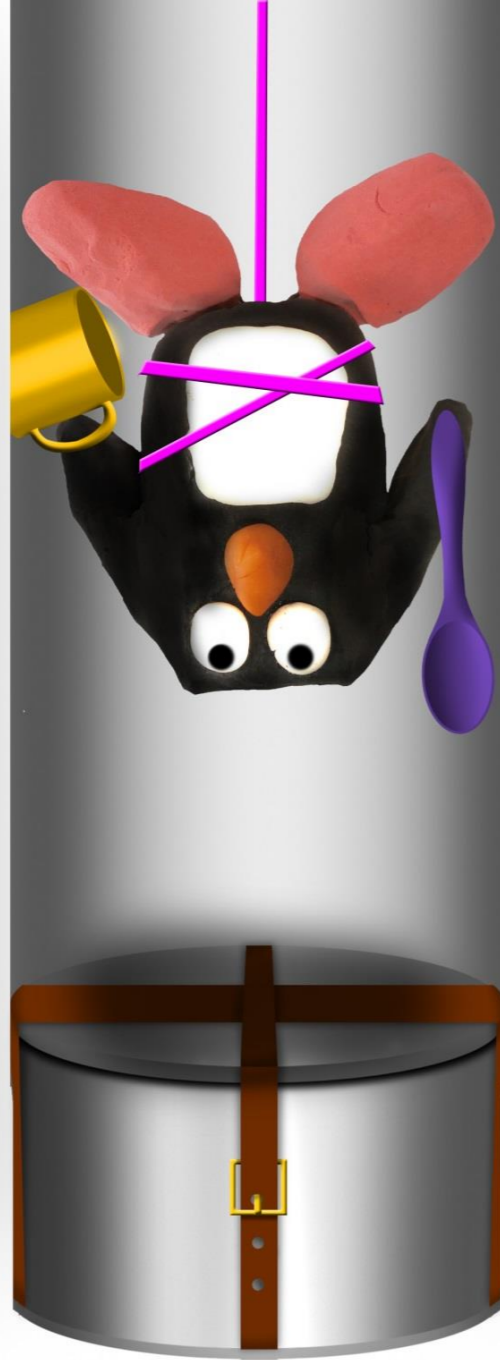

**After a while  
the pot hits the ground**

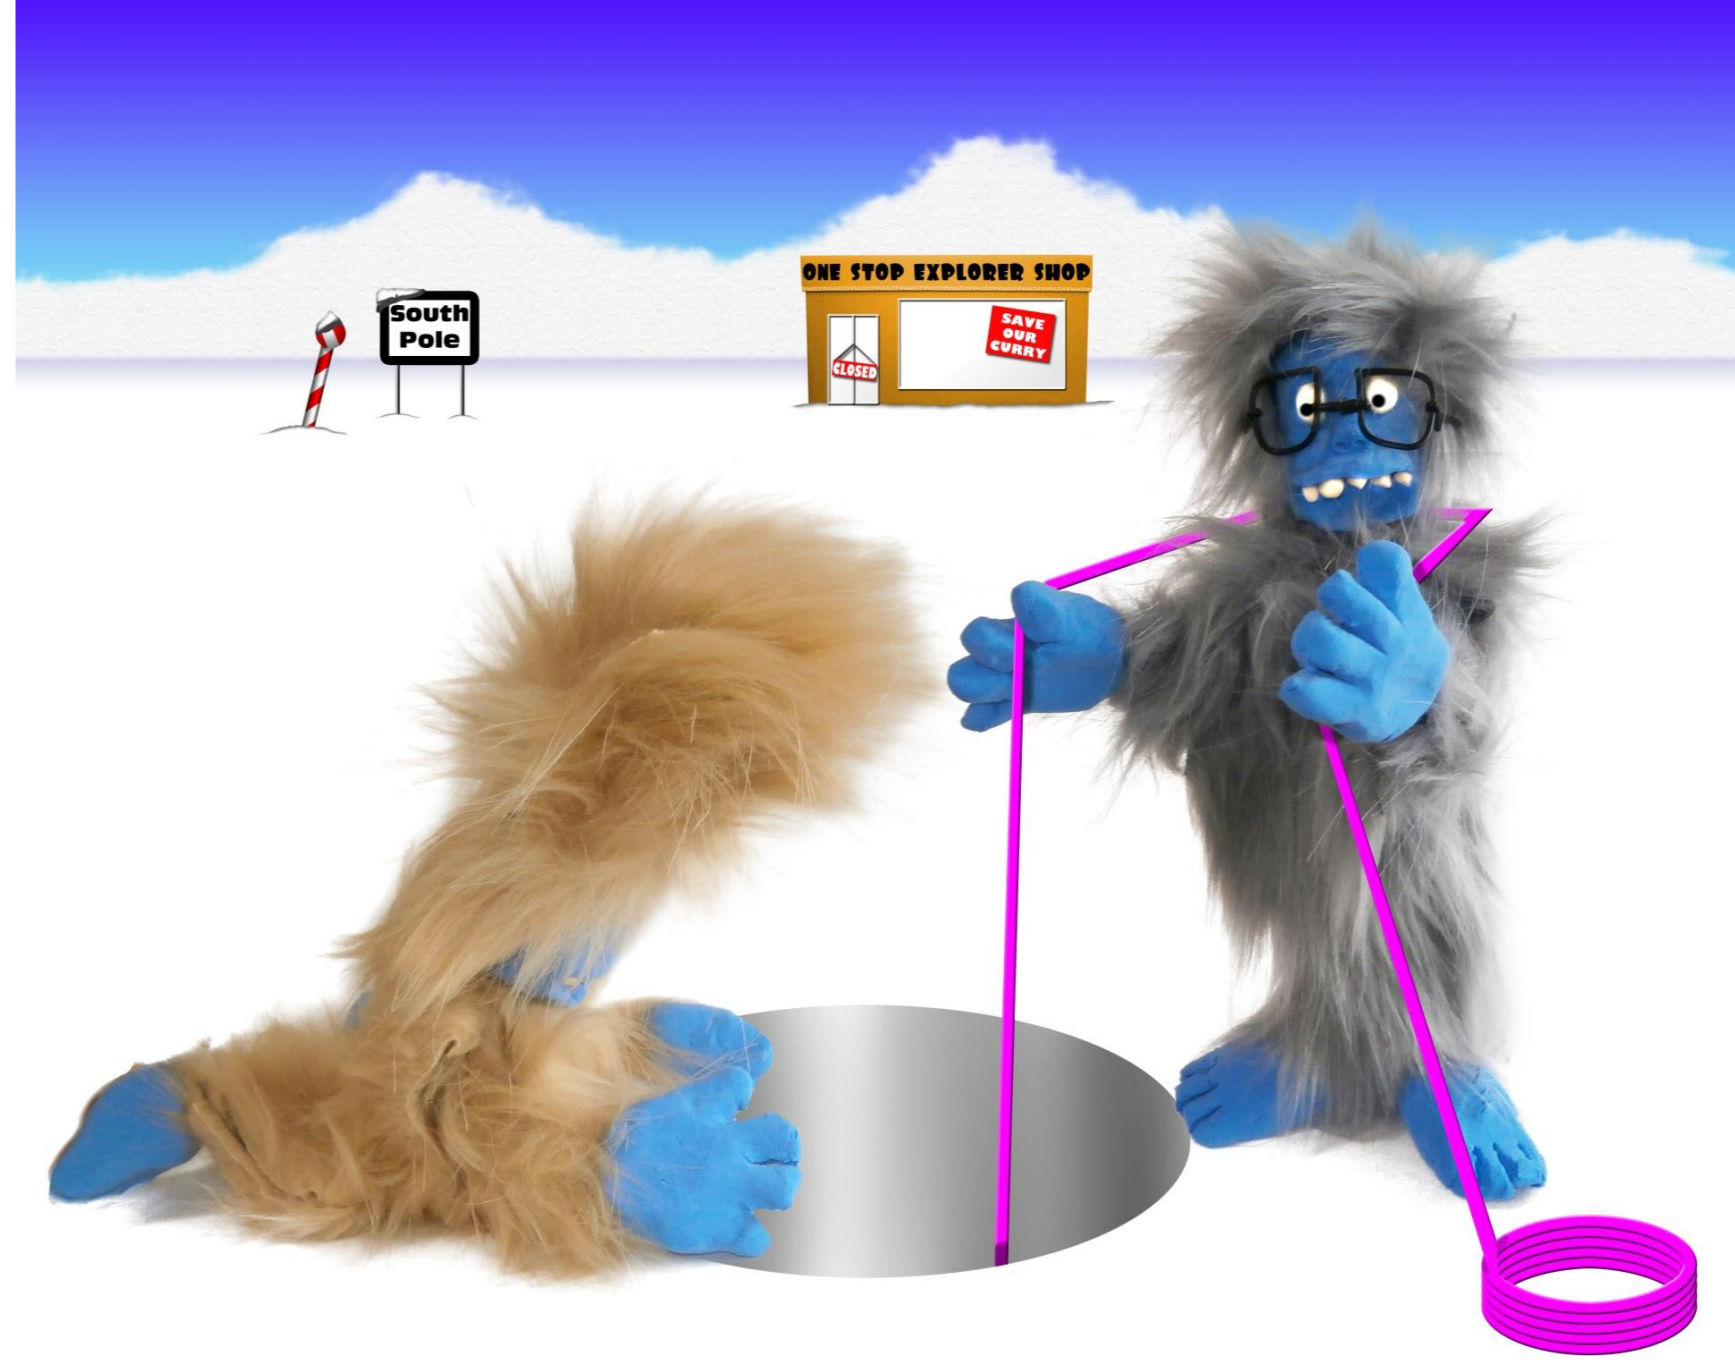

**And sits where it is  
with hardly a sound.**

**They lower Noel down  
with a spoon and a cup**

**But after six hours,  
they have to give up.**

**And all that they've learned  
when eating on ice,**

**Is to make a nice meal  
without so much spice.**

**Every so often,  
when the weather is nice,**

**Steve and Col Yeti  
have lunch on the ice.**
