To make sure the explorers have fruit in their belly

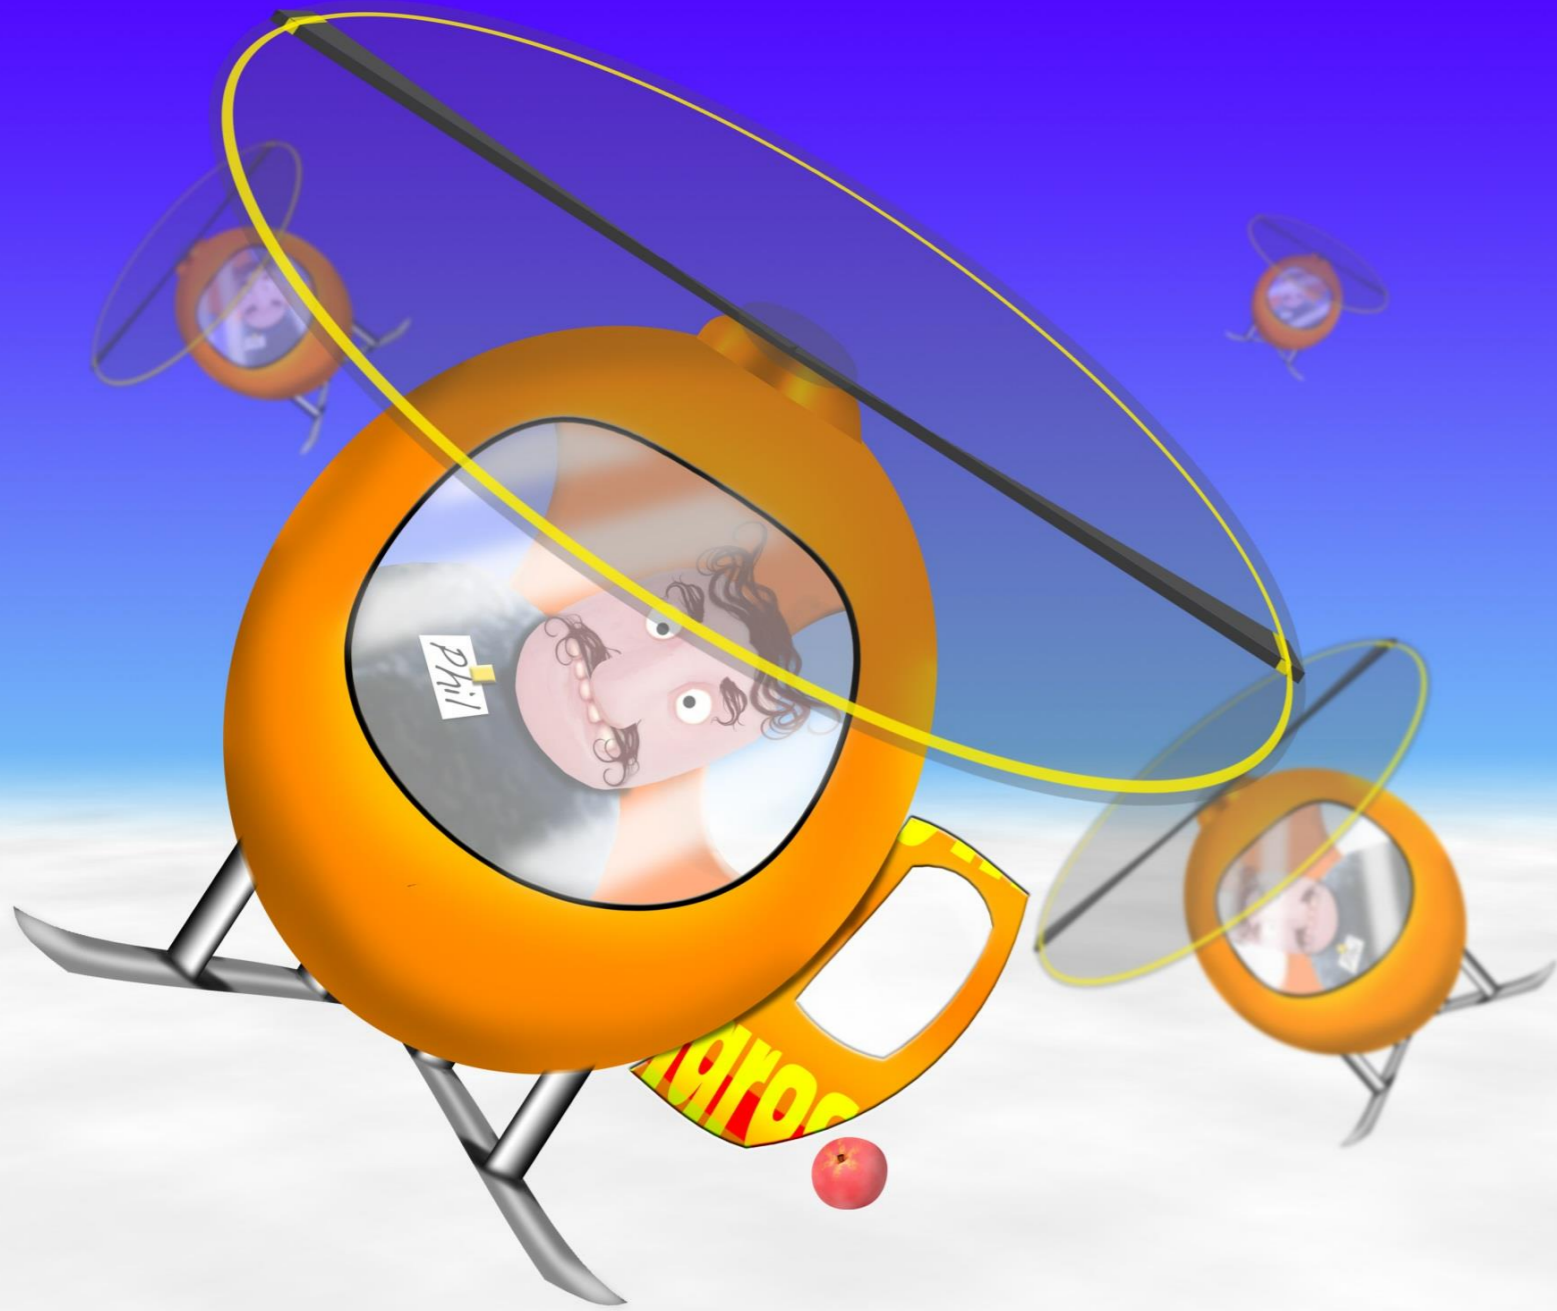

The Flying Greengrocers deliver by heli.

**High in the sky
flies Greengrocer Phil,**

**But it starts to get rough
going over the hill.**

**Rocked first left then right,
Phil loses a peach,**

**And though he tries hard,
it's just out of reach.**

**The peach hits the snow
and then starts to roll.**

**Growing bigger and bigger,
it rolls over Noel.**

**It's picking up speed.
It really won't stop**

**And it's heading straight
at Steve and Col's shop.**

**Piling up snow,
Steve makes a slope**

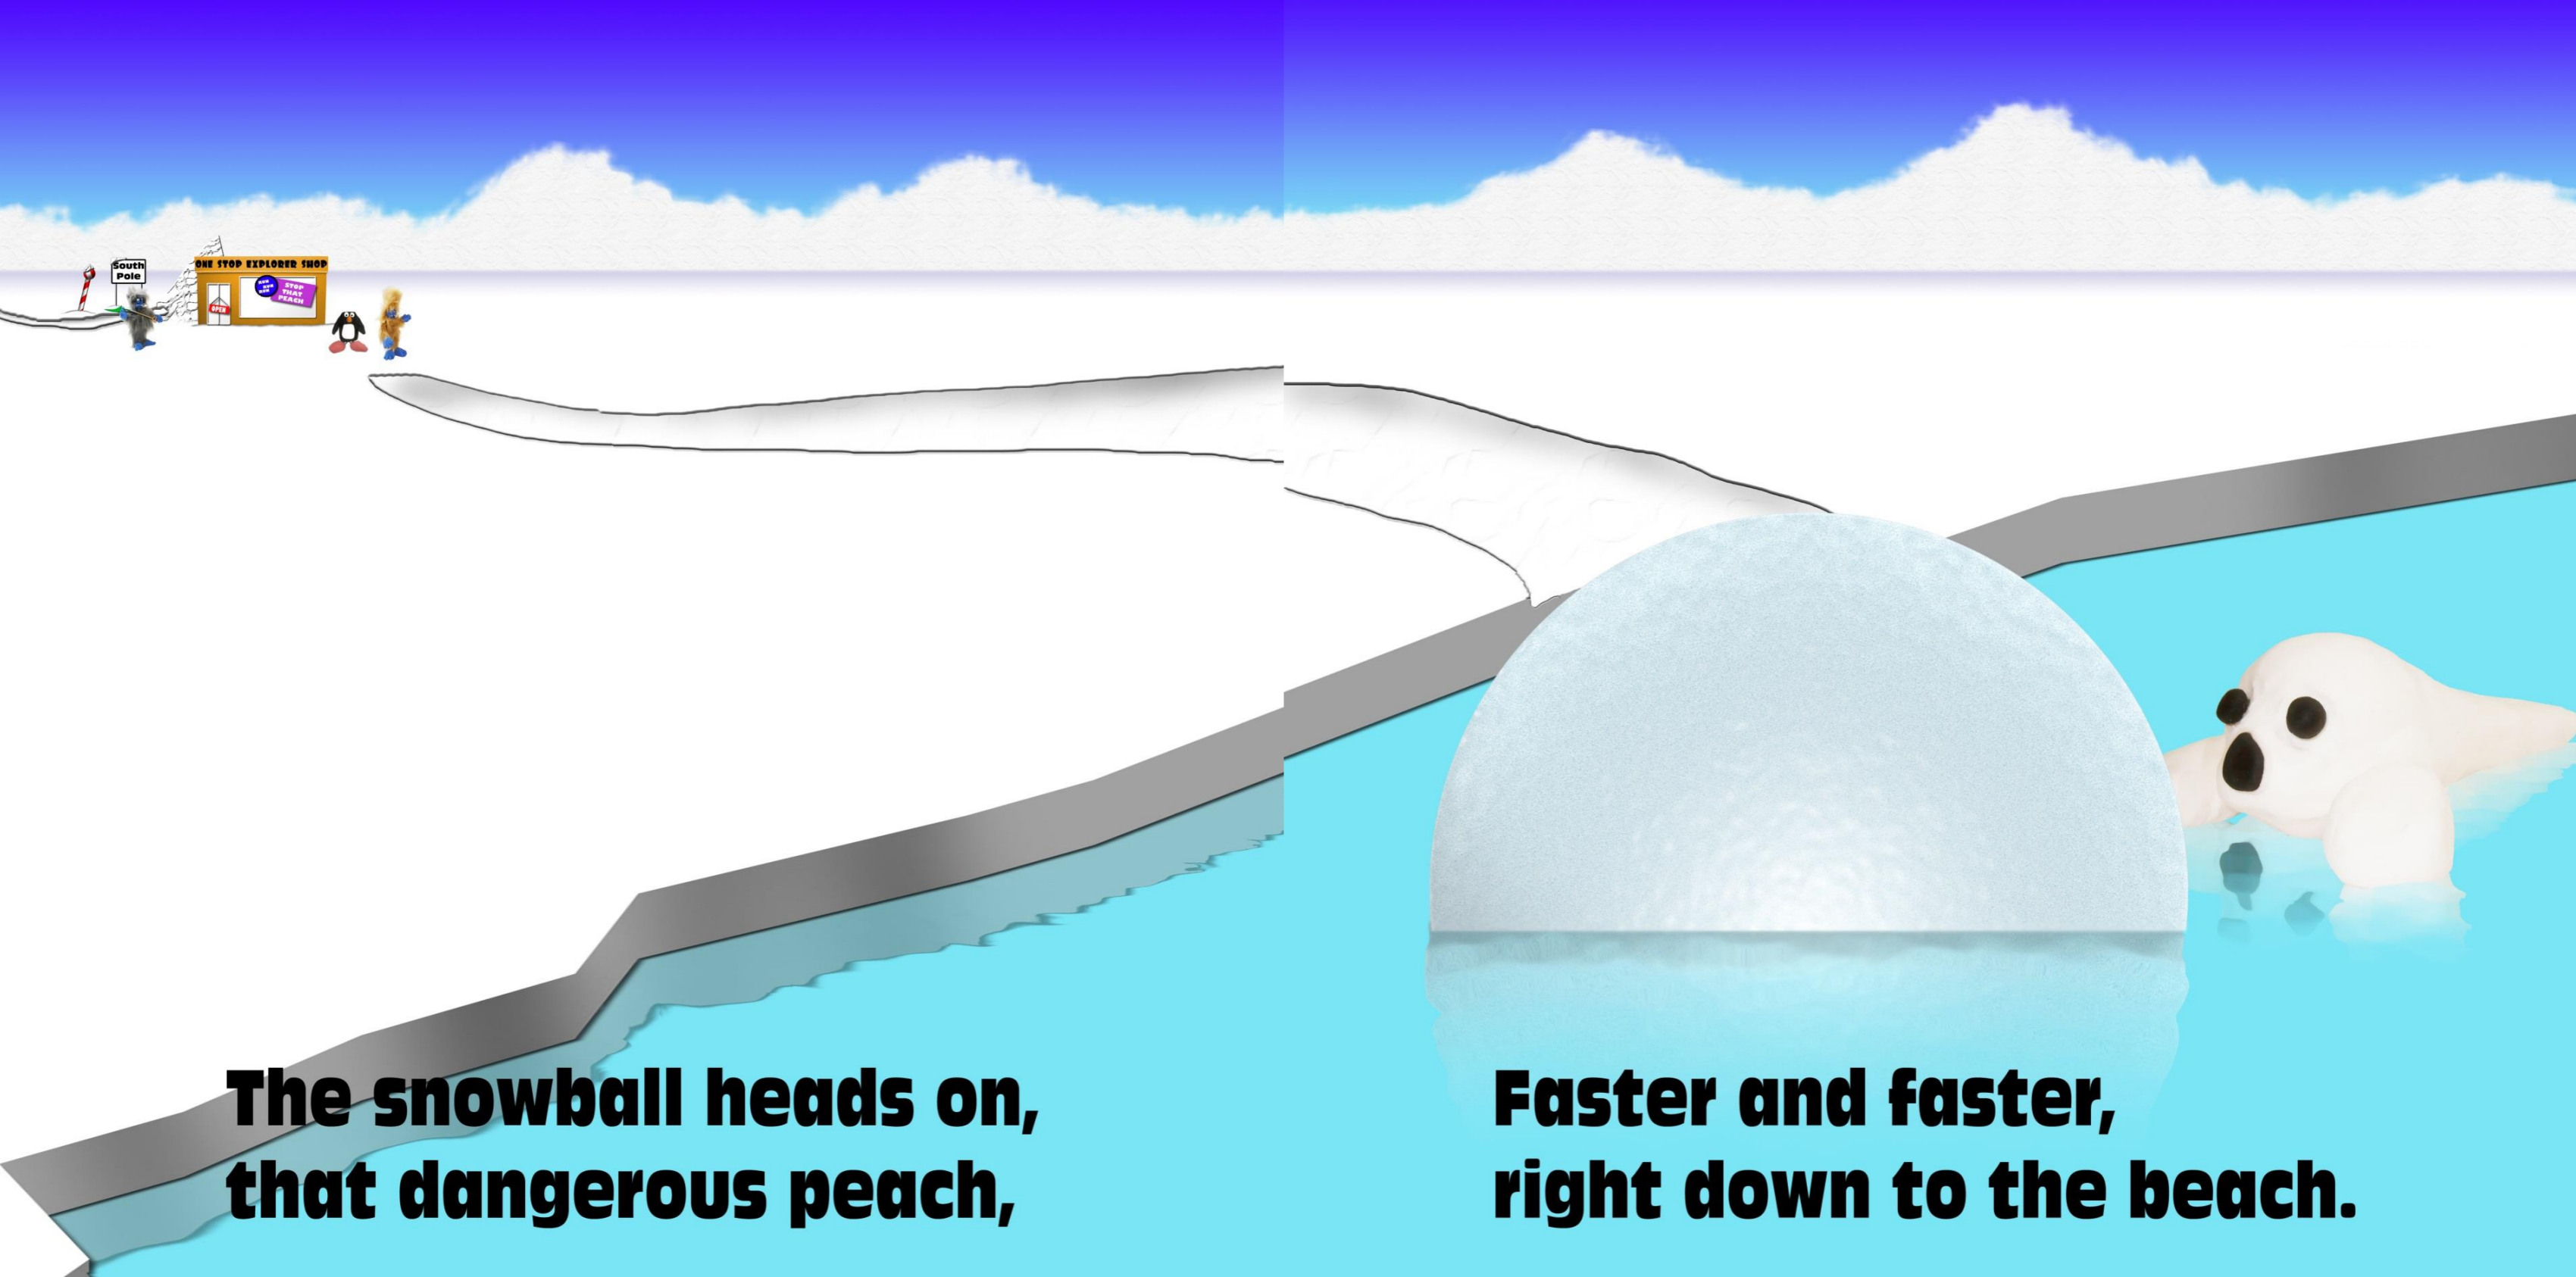

**And using quick thinking
Col grabs a rope.**

**The snowball takes air,
and as quick as can be,**

**Col uses his rope
and lassoes Noel free.**

**The snowball heads on,
that dangerous peach,**

**Faster and faster,
right down to the beach.**
